SUMMARY OF PROCEEDINGS

On August 27, 1999, a petition was filed by Airport Realty Company asking for the annexation of a portion of Williamstown Township and Wheatfield Township into the City of Williamston.

On September 9, 1999, an adjudicative meeting of the State Boundary Commission was held in Okemos to determine the legal sufficiency of the petition. The petition was declared to be legally sufficient, pursuant to Public Act 191 of 1968, as amended, and Public Act 279 of 1909, as amended.

On January 5, 2000, a public hearing was held in the City of Williamston to receive testimony given pursuant to Public Act 191 of 1968, as amended.

On May 11, 2000, at an adjudicative meeting held in Okemos, State Boundary Commissioners VerBurg, Rutledge and Walker and Ingham County Boundary Commissioners Vigmostad and West voted to postpone adjudication of this docket until July 13, 2000.

On July 13, 2000, at an adjudicative meeting held in Lansing, State Boundary Commissioners VerBurg, Rutledge and Walker and Ingham County Boundary Commissioner Vigmostad voted in favor of a motion to recommend that the Director of the Department of Consumer & Industry Services deny the annexation petition and Ingham County Boundary Commissioner White abstained from voting on the motion.

On August 10, 2000, at an adjudicative meeting held in Lansing, State Boundary Commissioners Rutledge and Walker and Ingham County Boundary Commissioner West voted to recommend approval of the Draft Findings of Fact and Conclusions of Law, and to recommend that the Director of the Department of Consumer & Industry Services issue an Order denying the annexation petition.

INFORMATION FROM THE RECORD

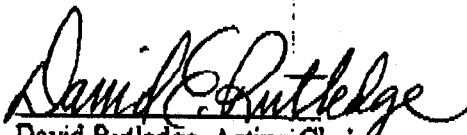

The Petitioner, City of Williamston, Williamstown Township and Wheatfield Township requested that the State Boundary Commission deny this petition because an Act 425 Agreement had been reached concerning the subject property.

FINDINGS OF FACT

The broader community is better served by the Act 425 Agreement between the City of Williamston and Williamstown Township and Wheatfield Township concerning the subject property than by any decision the State Boundary Commission could make regarding this petition.

CONCLUSIONS OF LAW

The record of this docket, in accordance with the criteria stipulated under Section 9 of the Public Act 191 of 1968, as amended, supports the recommendation of the Commission that the Director of the Department of Consumer & Industry Services sign the attached Order denying the annexation and adopting the Findings of Fact and Conclusions of Law.
